It was moved by Peters, seconded by Siepker to approve the bill of Bolton & Menk, Inc for \$1,188.00 for engineering work on Jt. Drainage District No. 43-72 and forward to Calhoun County for approval. Ayes all, motion carried.

Jack Moellering, County Engineer provided two options for consideration for the five year program to be approved later today. Following deliberation the board provided approval for the repairs to be in the five year plan.

Phil Wanoriek, Benefits, Inc owner provided handouts to the board with illustrated comparisons of the proposed plans provided by ISAC for Wellmark Health Insurance coverage. Phil advised he just recently learned that there is a typo in the rates of the new Plan 11C. Auditor Bunda confirmed the error, noting the drug card rates stated for Plan 11C are incorrect and actually are the same as for Plan 11. The deductible and coinsurance contribute to the new deductible and coinsurance increase for Plan 11C and there is no longer a separate maximum out of pocket for the drug card. Following discussion it was moved by Stauter, seconded by Peters to approve Plan 11, and self-funded back to Plan 9 with the \$750/\$1500 deductible for all county employees. Ayes all, motion carried.

Jack Moellering, County Engineer returned with the prepared State Five Year Construction Plan and the State Budget. It was moved by Peters, seconded by Dewey to approve the \$8,980,993 State Budget. Ayes all, motion carried. Moellering noted the county budget reflects greater expenditures than the state budget as a result of changes to the construction plans.

It was moved by Stauter, seconded by Dewey to approve the State Five Year Construction Plan. Ayes all, motion carried.

Moellering advised a landowner has requested the approval to apply his own dust control to the county gravel road at his home. Moellering was directed to further research the request prior to a decision by the board.

Supervisors Weekly Reports: Ives tended to various concerns of roads, drainage, itc. Peters attended the Palmer Home Town Pride Committee meeting and the Human Resources meeting for county department administrators. Siepker attended the school academy program meeting held in Laurens. Dewey attended the phone demonstration by Northwest Communications. Stauter had no meetings.

There being no further business the board adjourned on motion of Siepker, seconded by Dewey.

 Margene A. Bunda, County Auditor
