

View Pocahontas County Drainage Tile Map on Beacon

1. Go to <https://beacon.schneidercorp.com/Application.aspx?AppID=144&LayerID=1852&PageTypeID=1&PageID=1606>
2. Select “Drainage Tile” from the side panel.

3. Click on a specific spot on a drainage tile to show more information.

The screenshot displays an ArcGIS web application interface. On the left, a 'Layers' panel lists various map layers, with 'Drainage Tile' selected. The main map area shows a drainage network overlaid on a satellite-style map. A popup window titled 'Feature data: 897' is open over a specific drainage tile, displaying the following information:

- BranchID = Main
- DDID = DD 21
- DType = Open Ditch
- EditBy =
- EditDate =
- SHAPE_Length = 1376.2527620520893
- TileSize =
- width = 39.563953399658203

On the right side, a 'Results' panel shows the same information as the popup. At the bottom of the map, a status bar displays the following details:

- BranchID = Main
- DDID = DD 21
- DType = Open Ditch
- EditBy =
- EditDate =
- SHAPE_Length = 1376.2527620520893
- TileSize =
- width = 39.563953399658203

The map includes a scale bar for 2 miles and an Esri logo in the bottom right corner. The map area is labeled with town names: Dover, Grant, Center, Lincoln, and Roosevelt.
