Barb Smith, VP of PCEDC and Chris Vrba, Secretary along with Tom Grau reviewed the minutes of the June 29<sup>th</sup> PCEDC meeting with the board as an update to happenings of the commission. The commission representatives unveiled a new position to be established by the Commission to serve as an events coordinator, chamber/city organization coordinator and recreational activities coordinator. Vrba explained the current PCEDC budget is capable of handling the funding of the new position and the funding mechanism is in place for the sustainability of the position. Today the people involved in the activities have been trying to manage the coordination of everything along with their day jobs and their abilities are being diminished. The board concurred there is merit in the position and the funding appears to be available.

Jack Moellering, County Engineer advised he has nothing to report.
